Fiserv USA Project Profile

This document outlines the different selections that we made on the Fiserv Rapidconnect Developer portal to generate the SDK documentation. Fiserv's system is generating a new SDK documentation each time based on combinations of different features selected for the project.

Project ID | RSO024

Project Profile

Status: Development

Certification Type: Full-Cert

Rapid Connect Version: 15.04

Project ID/TPP ID: RSO024

Project Name: Softpay

Company ID: SOF006

Company Name: Softpay ApS

Project Owner: Kucukemre, Uygar
